Dr. 90210

E! • JUNE 11 • 10 P.M.

LIFE ISN'T SO EASY FOR PLASTIC SURGEONS in Beverly Hills. Take Dr. Robert Rey: The Harvard grad had to give up his Bel Air Country Club membership because he's so busy making gazillions doing boob jobs and tummy tucks (which pay for his Mercedes and his mansion) that he has no time to hit the links. Okay, maybe life isn't so bad, and that's why E! is following Rey and three other 90210-based docs for a behind-the-scenes look at the business of cosmetic upkeep. Though he averages a backbreaking 10–12 operations a week, even Rey (below) admits his life can be glamorous. "We go to church with Larry King! My kids are in school with Jodie Foster's kids!" enthuses the 42-year-old, whose wife, Hayley, and 3-year-

old daughter, Sydney, both appear in the show. "Look at my patients! Many are celebrities." Rey admits the majority of his time is spent doling out bulbous bustlines, but he's not complaining. "I'm in the business of women," says Rey. "I never tire of it." —*Lynette Rice*
