A photograph of Dr. Robert Rey, a plastic surgeon, in a clinical setting. He is wearing a black scrub top with a stethoscope around his neck. The text on his scrub top reads "ROBERT REY, M.D. PLASTIC SURGERY". He is holding a clear plastic bag containing a yellowish liquid specimen. In the background, there are medical monitors and equipment. The overall scene is brightly lit, typical of an operating room or clinic.

Dr. Rey is every bit as watchable as the doctors on *Nip/Tuck*.

Dr. 90210

A real-life *Nip/Tuck*

We've all seen *The Swan*, but this riveting reality show reveals what plastic surgery is like on the *other* side of the knife. It follows surgeon **Dr. Robert Rey** as he caters to both his high-maintenance patients and his family. It's eye-opening, to say the least!
