## The trouble with 'tweens

When a pop idol comes to town, two girls in hot pursuit find it's not so bad to be 'Stuck in the Suburbs,' on the Disney Channel.

## Dr. 90210

10 p.m. E!

Catering to celebrities keeps many people — including plastic surgeons — in business in Beverly Hills. This unscripted series profiles doctors whose skills are sought not only by established stars who want to keep up appearances but also by wannabes determined to attain the physical attributes they feel they need to stake their own claims to fame in Hollywood.
